FOR STATE REPRESENTATIVE

## SHE GETS THINGS DONE

A proven leader who brings people together to get things done, Ginny Favede is a dedicated public servant and national leader on economic development. She learned the value of hard work while being raised by a single mother as the youngest of 10 children. Ginny became the only one in her family to go to college, working her way through The Ohio State University.

Ginny moved to Eastern Ohio 23 years ago to be close to her husband's family. While they raised two children, Ginny got involved in community organizations and earned the trust of her neighbors, who twice elected her to the St. Clairsville City Council. For the past 8 years, Ginny has served as a Belmont County Commissioner, producing results that help families, protect taxpayers, and grow our economy. Now, Ginny is running for State Representative to take her results-driven leadership style to Columbus to get things done for us in Eastern Ohio.
