

L.U. 141 (ees,i,o,u) Wheeling, WV – Greetings, Brothers and Sisters. Work has slowed a bit in our jurisdiction, with 33 members currently on Book 1.

The Wheeling JATC held a completion dinner for our newest Journeyman Wiremen in January at the Wheeling Island Casino Racetrack. Brothers Josh Sabinski, Cole Crow, Tyler Robinson, Derek Borsos, Kevin Johnson, Jordan Mehlman, and Jason Reed received their completion certificates and enjoyed an evening of great food, some terrific guest speakers, and brotherhood. May they all have a very successful career in the IBEW!

The political scene is ramping up, and Local 141 is proud to announce that President Dave Cantrell and Executive Board member Cody Cumpston have filed to run for the West Virginia House of Delegates in two separate districts in the northern panhandle of West Virginia. There's no doubt that if elected, these brothers will fight tirelessly for the working people of West Virginia. The Local wishes them both the best of luck with their campaigns!

IBEW Local 141 is deeply saddened to report the passing of Brothers Edwin A. Timberlake, Joseph H. Bauduin, John M. Antlake, Paul Kartman Sr., Robert A. Kubovicz, and retired Local 141 secretary Lynn McKee. Notably, Brother Kubovicz was the owner of signatory contractor United Electric of Wheeling, served on the contractor's side of the Apprenticeship Committee, and has been a member of Local 141 since 1974. All will be greatly missed.
